

I LIVE IN CALIFORNIA AND RELAY AND DRIVE CALM IN MY NEW TRUCK GETTING 22 MPG ITS DIESEL. I NOTICED WITH XM I DO NOT GET UPTIGHT AND LIKE TO BE IN SLOW TRAFFIC CAUSE I GOT MY MUSIC I LIKE CHANNEL 82 WHICH IS FAST BEAT. I LOVE TO STAY FAR AWAY FROM OTHER CARS AND LOOK FOR UPTIGHT PEOPLE WHO CAN NOT WAIT TO GET OUT OF TRAFFIC I MOVE AWAY FROM THEM .

RECENTLY WE WERE IN DEAD STOP TRAFFIC WE HAD OUR MOTORS OFF FROM A WRECK AHEAD. {NON SATILITE RADIO USED IN A RUSH}

FOR FUN I TRYED TRAFFIC AND HEARD WORSE REPORTS 20 STATES AWAY IT MENT NOTHING TO ME I KNEW NONE OF THE STREETS IN WASHINGTON OR BOSTON BUT I HAD A SENCE OF CALM , AS I HEARD IT COULD BE WAY WORSE . SO I REALLY ENJOY MY MOBIL CONSERV HALL AND SINCE WE DO NOT HAVE OUR LOCAL TRAFFIC REPORTS I ENJOY LISTING TO HOW FUTUREISTIC THE WELL CRAFTED SHOW IS WITH COOL LITTLE BEEPS AND THE WORLDS BEST SPEAKING ANOUNCERS . REALLY NEED TO TRY IT AND SEE FOR YOUR OWN SENCE OF WELL BEING .

A TEST NEEDS TO BE RUN ON ROAD RAGE TYPES AND SEE ITS EFFECT ON THEM. YES PEOPLE DO GET MAD FROM WORK AND THERE LIFE,
